Wedding photography in Sydney may be a common phenomenon but DC Images' goal is to constantly push the boundaries. They aim to capture emotion and magic in every image, to eliminate stiff poses, and to inject passion into each and every shot while allowing each person to be him or her self.

DC Images attention to detail and passion for exploring the endless photographic possibilities that exist has been developed and refined over a decade of international freelance experience.

Simply put, DC Images are the studio of choice for those who are serious about receiving the most impeccable, innovative and high quality images.
